“5 for 5” Coupon Program FAQs

How do I earn coupons?
Spend at least $5 using your SNAP/EBT card. Your SNAP/EBT purchase must contain at least 1 fresh fruit or vegetable. The store clerk will give you a $5 coupon at checkout.

How many coupons can I earn?
You will earn 1 coupon per purchase every time you make a qualifying purchase.

What can I buy with my coupons?
Each coupon is for $5 of fresh fruits and vegetables. You cannot buy canned or frozen items with your coupons.

Do the coupons expire?
Please use your coupons by the expiration date.

Where can I spend my coupons? What if my store does not have the fruits and vegetables I want?
Use your coupons at the store where you received them, or at any store listed on the coupon. Please request any new fruits or vegetables with the store manager.

If I spend less than $5 using my coupon, will I get change?
No change is given, so please spend the full $5 at once.

Who runs this program?
